

# Clueless: My Education in White Supremacy

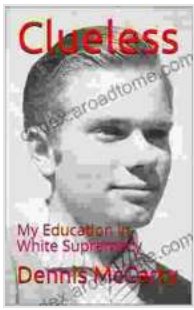

An eye-opening, thought-provoking memoir that sheds light on the insidious nature of white supremacy and the dehumanizing effects it has on both individuals and society.

**15 Characteristics of White Supremacy Culture**

- Perfectionism
- Sense of Urgency
- Defensiveness
- Quantity Over Quality
- Worship of the Written Word
- Only One Right Way
- Paternalism
- Either/Or Thinking
- Power Hoarding
- Fear of Open Conflict
- Individualism
- I'm the Only One
- Progress is Bigger, More
- Objectivity
- Right to Comfort

Tema Okun and Kenneth Jones,  
*Dismantling Racism Workbook*, 2001

**Clueless** is a powerful, personal account of one woman's journey to understand and dismantle the white supremacy that has shaped her life. Through a series of poignant and often painful stories, author Tiffany Jenkins exposes the insidious ways that racism manifests itself in our society, from the subtle microaggressions of everyday life to the more overt acts of violence that make headlines.

Jenkins was raised in a white, working-class family in the rural South. Her parents taught her that Black people were inferior to whites, and she internalized this message from a young age. It wasn't until she went to college that she began to question her beliefs. She started to read about the history of racism in America, and she talked to people of color about their experiences.

The more Jenkins learned, the more she realized how deeply embedded white supremacy was in her own life. She saw it in the way she was treated by her teachers and classmates, in the way the media portrayed Black people, and in the way the criminal justice system disproportionately targeted Black people.

Jenkins's journey is not an easy one. She has to confront her own racism, and she has to deal with the backlash from people who don't want her to talk about these issues. But she is determined to use her voice to speak

out against white supremacy and to help others understand its harmful effects.

**Clueless** is an important, timely book that offers a much-needed perspective on the state of race relations in America. It is a book that will challenge you, provoke you, and ultimately inspire you to take action against racism.

### **What people are saying about Clueless:**

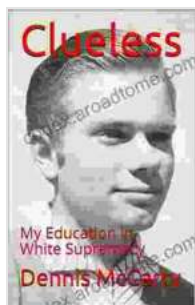

"**Clueless** is a powerful, personal account of one woman's journey to understand and dismantle the white supremacy that has shaped her life. Tiffany Jenkins's writing is honest, raw, and unflinching, and she does not shy away from the difficult truths about race in America. This book is a must-read for anyone who wants to understand the insidious nature of white supremacy and its dehumanizing effects on both individuals and society." - Ibram X. Kendi, author of **How to Be an Antiracist**

"**Clueless** is an essential read for anyone who wants to understand the deep-seated racism that continues to plague our society. Tiffany Jenkins's personal narrative is both heartbreaking and inspiring. She shows us how white supremacy can warp our minds and hearts, and she challenges us to do the work of dismantling it." - Michelle Alexander, author of **The New Jim Crow**

"**Clueless** is a powerful and moving memoir that will open your eyes to the insidious nature of white supremacy. Tiffany Jenkins's writing is honest and unflinching, and her story is a reminder that we all have a role to play in dismantling racism." - Bryan Stevenson, author of **Just Mercy**
