The Semantic Web, an extension of the traditional World Wide Web, empowers machines to understand the meaning and relationships behind data, unlocking unprecedented possibilities for intelligent applications and groundbreaking discoveries.

At ISWC 2024, you will delve into the latest advancements in Semantic Web technologies, including:

- Knowledge representation and reasoning
- Ontology engineering and evolution
- Linked data and the Web of Data
- Big data and semantic analytics
- Semantic Web applications in diverse domains

A Unique Platform for Collaboration and Innovation

As a participant in ISWC 2024, you will have the unparalleled opportunity to:

- Network with leading researchers, industry experts, and practitioners
- Attend thought-provoking keynote speeches and presentations
- Share your research findings and engage in lively discussions
- Explore cutting-edge technologies and innovative solutions
- Contribute to the advancement of the Semantic Web field

Monterey: The Perfect Backdrop for Inspiration and Discovery

Nestled on the stunning Monterey Peninsula, ISWC 2024 will provide an idyllic setting for intellectual exchange and professional growth. The conference venue offers:

- State-of-the-art facilities

- Convenient access to nearby attractions and amenities
- Breathtaking views of the Pacific Ocean
- Opportunities for outdoor excursions and social gatherings

Mark Your Calendars and Join the Semantic Web Revolution

Don't miss this exceptional opportunity to be part of the Semantic Web's transformative journey. Register now for the 17th International Semantic Web Conference in Monterey, California, USA, on October 12, 2024.

Together, we will push the boundaries of intelligent data and create a more connected, meaningful, and prosperous future.

Visit the ISWC 2024 website for more details and registration information.

We look forward to welcoming you to Monterey, where the future of the Semantic Web unfolds.
