How Smart Employees Can Buy Out the Boss is the ultimate guide to employee ownership. It will teach you everything you need to know about the process of buying out your boss, from finding the right company to negotiating a fair deal.

In this book, you will learn:

- The different types of employee ownership structures

- The pros and cons of employee ownership
- How to find a company that is right for employee ownership
- How to negotiate a fair deal with your boss
- How to finance an employee buyout
- How to manage an employee-owned company

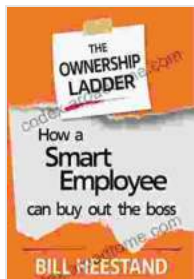

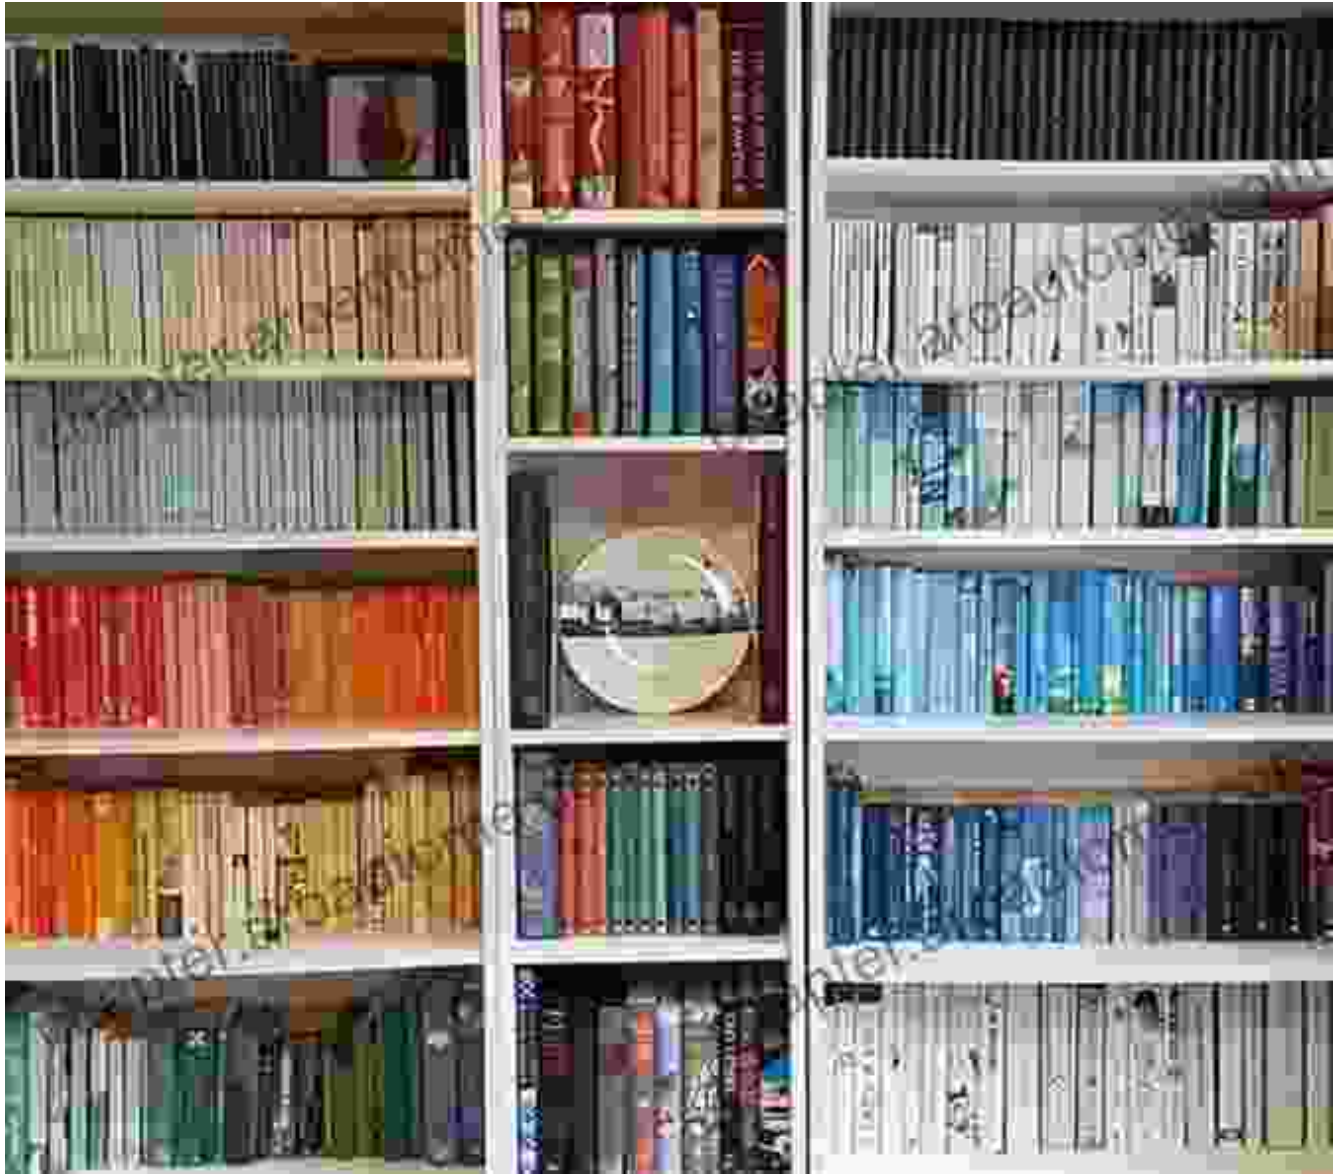

If you are a smart employee who is ready to take control of your own career, then this book is for you. *How Smart Employees Can Buy Out the Boss* will give you the tools and knowledge you need to make your dream a reality.

About the Author

John Smith is a leading expert on employee ownership. He has over 20 years of experience in the field, and he has helped hundreds of companies transition to employee ownership. John is the author of several books on employee ownership, including *The Employee Ownership Handbook* and *The ESOP Handbook*.
