## **Chapter 1: The Basics of PR Cockery**

In this chapter, we'll cover the basics of PR cockery. We'll discuss what it means to be a PR cock, and we'll provide you with some tips on how to become one.

So, what is a PR cock? A PR cock is someone who is constantly promoting themselves and their accomplishments. They are always talking about themselves, and they always try to make themselves look good.

PR cocks can be annoying, but they can also be entertaining. If you can learn to embrace your inner PR cock, you can use it to your advantage.

## How to Become a PR Cock

If you want to become a PR cock, there are a few things you need to do:

- **Talk about yourself non-stop.** This is the most important rule of PR cockery. If you want people to remember you, you need to make sure they hear from you all the time.
- **Brag about your accomplishments.** Don't be shy about your accomplishments. If you've done something great, tell people about it! Just be sure to do it in a way that doesn't sound like you're bragging.
- **Drop names.** Name-dropping is a great way to make yourself sound important. Just be sure to only drop names of people who are actually famous.
- **humblebrag about your amazing life.** humblebragging is the art of bragging about yourself without sounding like you're bragging. It's a delicate balance, but it can be mastered with practice.
- **Make everyone around you want to punch you in the face (but in a good way).** This is the ultimate goal of PR cockery. If you can make people laugh and hate you at the same time, you're ng it right.
