This book is packed with over 1,000 flash cards that cover everything you need to know for the exam, including:

- Anatomy and physiology
- Medical terminology
- Administrative procedures
- Clinical procedures

The flash cards are organized by topic, so you can easily find the information you need. And each card includes a clear and concise

explanation of the topic, as well as a self-test question to help you assess your understanding.

Medical Assistant Flash Review is the perfect study guide for anyone who wants to pass the Medical Assistant exam and start their new career as a medical assistant. Free Download your copy today!

What's New in the Second Edition?

The second edition of Medical Assistant Flash Review has been updated to include the latest information on medical assisting, including:

- New coverage of the Affordable Care Act
- Updated information on electronic health records
- New chapters on HIPAA compliance and patient safety

With these updates, Medical Assistant Flash Review: Second Edition is the most comprehensive and up-to-date study guide for the Medical Assistant exam.

What Others Are Saying About Medical Assistant Flash Review

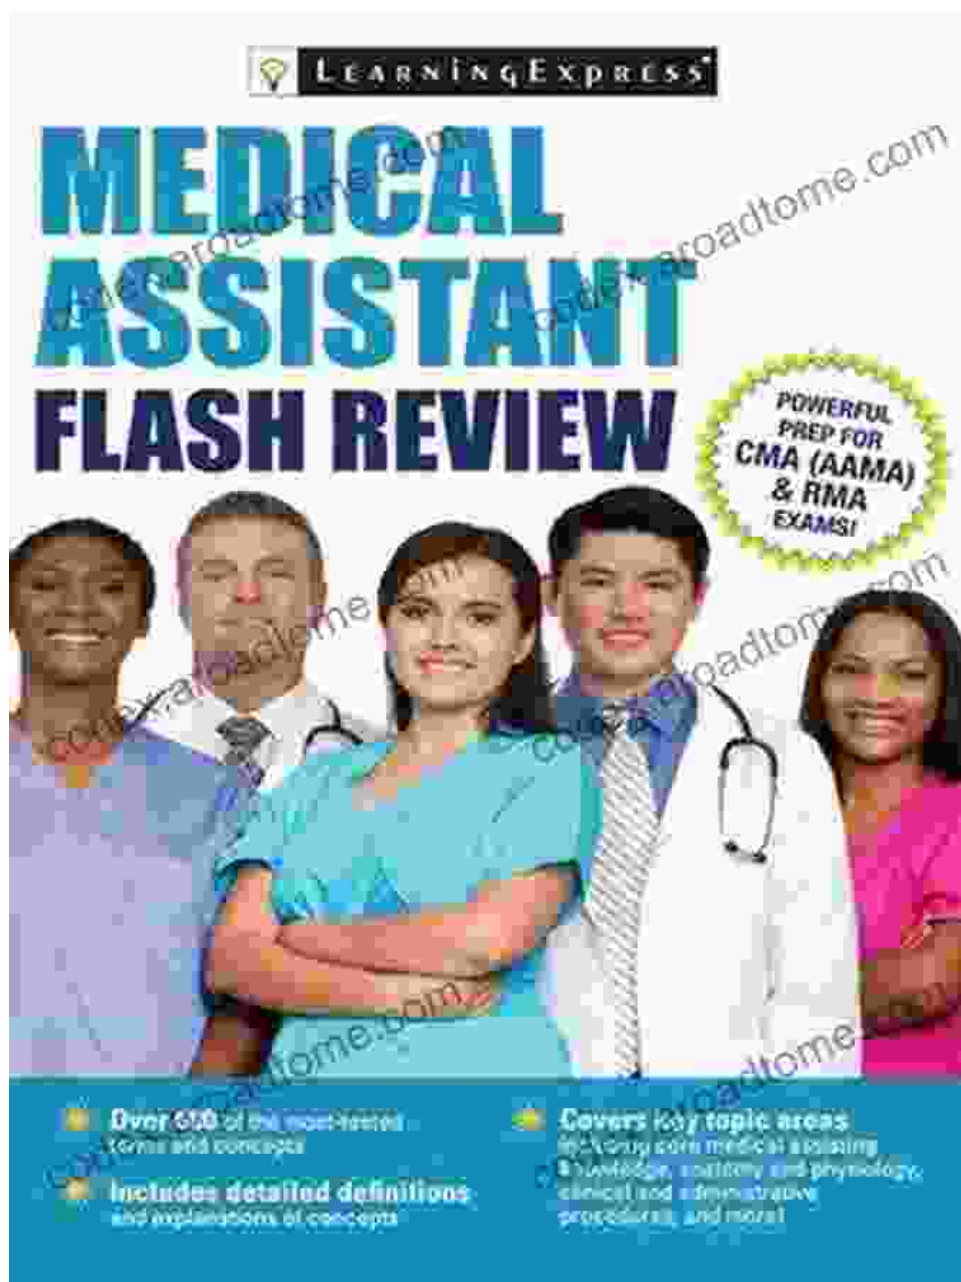

"Medical Assistant Flash Review is the best study guide I've found. It's comprehensive, well-organized, and easy to use. I highly recommend it to anyone who wants to pass the Medical Assistant exam." - *Sarah Jones, Medical Assistant*

"I used Medical Assistant Flash Review to study for the Medical Assistant exam and I passed on my first try! The flash cards are a great way to learn the material and the self-test questions helped me to assess my

understanding. I highly recommend this book to anyone who wants to pass the Medical Assistant exam." - *John Smith, Medical Assistant*
