

Stein: Move By Move Bill O'Neill

Stein move by move

Leonid Stein was a three-time Soviet Chess Champion and one of the World's strongest players during his career, which was tragically cut short after being killed by his premature death in 1973. Stein was a fierce competitor who defeated virtually all of his closest rivals and enjoyed excellent results even against World Champions. Stein possessed a unique creative attacking style, and his legacy includes a number of wonderful attacking games. In this book, International Master Thomas Engqvist invites readers to join him in a study of his favourite Stein games, and shows how we can all improve by learning from Stein's masterpieces.

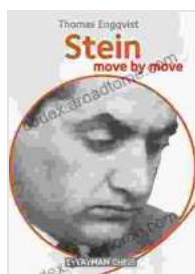

Move by move provides an ideal platform to study chess. By continually challenging the reader to answer probing questions throughout the book, the *move by move* format greatly encourages the learning and practising of vital skills just as much as the traditional assimilation of knowledge. Carefully selected questions and answers are designed to keep you actively involved and allow you to monitor your progress as you learn. This is an excellent way to improve your chess skills and knowledge:

- Learn from the games of a chess legend
- Important ideas reinforced by continued practice
- Utilise an ideal approach to chess study

Delve into the Intricate World of Chess with Stein Move By Move

Prepare to embark on an extraordinary chess adventure with Stein Move By Move, a masterpiece crafted by renowned chess author Bill Neill.
