## An Immersive Journey into the Heart of the Spanish Civil War

The Spanish Civil War was one of the most brutal and devastating conflicts of the 20th century. Fought between the forces of the democratically elected Republican government and the Nationalist rebels led by General Francisco Franco, the war tore Spain apart and claimed the lives of hundreds of thousands of people.

In *Their Backs Against the Sea*, award-winning author \*\*John Blasius\*\* tells the story of the Spanish Civil War through the eyes of the men and women who fought in it. Based on extensive interviews with veterans from both sides of the conflict, the book brings to life the personal stories of the people who experienced the brutality and tragedy of this devastating war.
