About Netys 2024

The Third International Conference on Networked Technologies and Information Systems (Netys 2024) invites academics, researchers, industry professionals, and students from around the world to gather in the vibrant city of Agadir, Morocco, from May 13-15, 2024.

Netys 2024 will provide a platform for attendees to share and exchange their latest research findings, engage in thought-provoking discussions, and explore the transformative power of digitalization in various aspects of society and industry.

Conference Themes

- Network Architectures and Protocols
- Artificial Intelligence and Machine Learning in Networked Systems
- Cybersecurity and Network Security
- Cloud Computing and Edge Computing
- Internet of Things (IoT) and Smart Cities
- Big Data Analytics and Data Science
- Blockchain and Distributed Ledger Technologies
- Networked Healthcare and Telemedicine
- Digital Transformation in Education and Business
- Social and Ethical Implications of Networked Technologies

Keynote Speakers

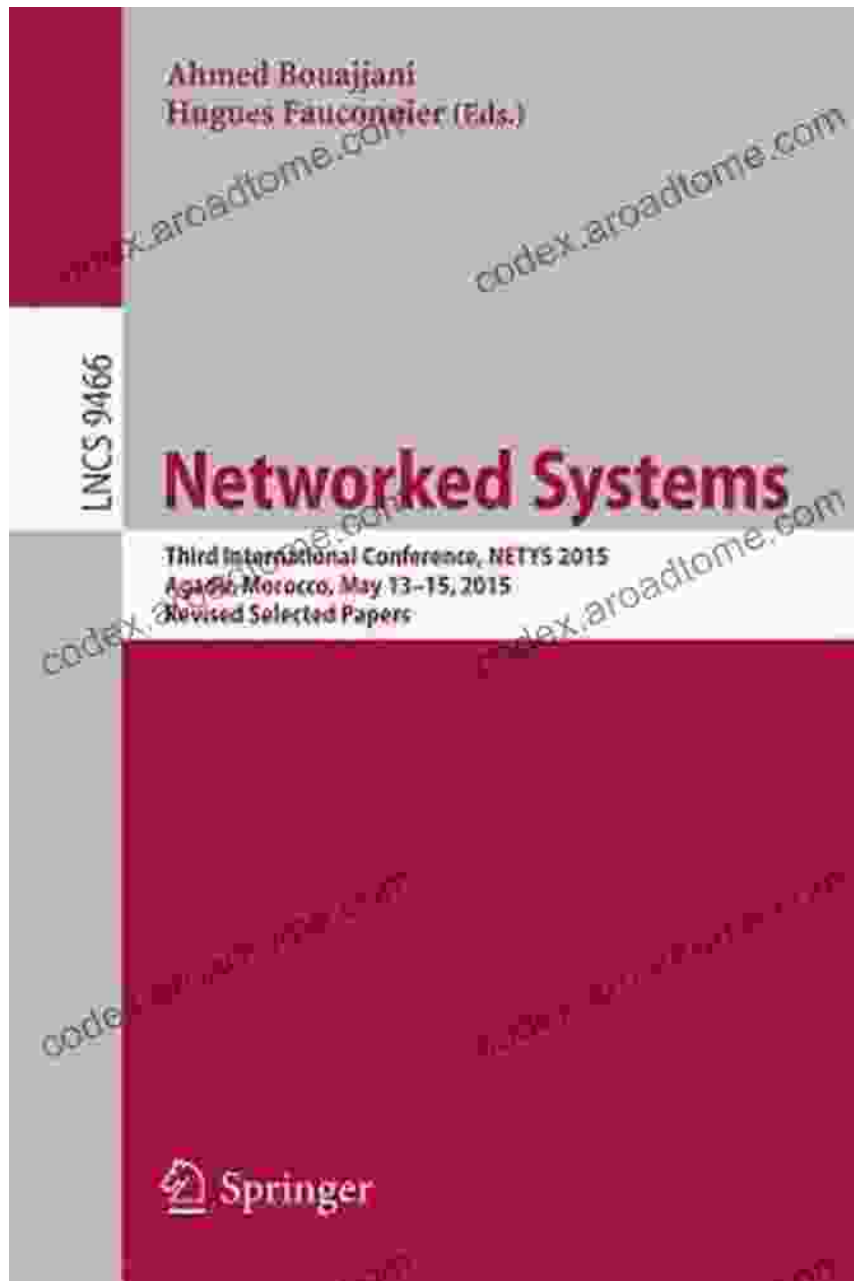

Ahmed Bouajjani
Hugues Fauconnier (Eds.)

LNCS 9466
