This book is packed with colorful pictures and simple instructions that will help your toddler learn essential skills, such as:

- Object recognition
- Shape recognition
- Color recognition
- Counting
- Problem solving

Each page of the book features a different scene with several objects missing. Your toddler's job is to find the missing objects and identify them. This activity is a great way to help your toddler develop their cognitive skills, problem-solving skills, and language skills.

The What's Missing? learning activity book is perfect for toddlers ages 2-4. It's also a great way to prepare your toddler for preschool or kindergarten.

So what are you waiting for? Free Download your copy of the What's Missing? learning activity book today!
